To Our Lancer Families:

Eastridge Athletics is excited to announce that we are now offering the convenience of online registration (re-certification) for sports clearances through **FamilyID**. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

You may begin to create your FamilyID profile on **Friday, July 13** for High School athletes and **Sunday, July 29** for Middle School athletes. Clearance forms can be uploaded using the online system. Completing the FamilyID profile prior to registering your son/daughter for each season will help expedite the sign-up process.

#### **BEFORE YOU REGISTER:**

For the first time you will be able to upload updated physical forms, medical orders, and complete the sports questionnaire form during the clearance process. Please be sure to have this information ready to go in an electronic form to complete your son's/daughter's file. You may take a photo of all necessary forms to assist you in the upload process.

#### **INFORMATION NEEDED TO REGISTER:**

It will be helpful to have the following information handy to allow for accurate completion of your online registration.

- Past medical history
- Current medications
- Allergy information
- Emergency contact information
- Physical Exam requirement

#### **Physical Exam Requirements:**

In order to participate in sports, a current physical and immunization record must be on file with your child's health office. The date of the exam must be within one year of the month when the sport season begins.

**Winter 2018/19** - Dated after 11/1/2017

**Spring 2019** - Dated after 3/1/2018

You are responsible for providing the current physical/immunization record to the health office. **It can be added to your online registration**, mailed, faxed or dropped off to the appropriate health office. (Please see information below.) **When completing the Health Questionnaire online you will have the option of attaching an electronic copy of your physical exam and immunization record.**
