

# PBIS at East Irondequoit Central School District November Newsletter!

## Helendale Road has HEART!

2nd graders at Helendale Road can use their HEART cards for a chance to be chosen as "HEART Patrol". If they are chosen, they meet with Mrs. Jakobovic to learn about their responsibilities as a Heart Guard and are given the coveted Heart Patrol belt! They then help make sure everyone is showing HEART during dismissal. 2nd grader Emma Ross says, "It's cool because you get to go out early and help people make good choices." This has been a very successful part of our PBIS program!

## Ivan Green has HEART!

For Ivan Green's November Spirit Day, the students were able to work with a "buddy" from another class to make cards and color pictures. The cards and pictures were then sent to St. Anne's Nursing home and given to the residents to help them celebrate Thanksgiving!

## Durand Eastman (DE) has HEART!

DE continues to celebrate the Bus of the Month with cookies, milk, and a certificate! Data is collected daily and the bus that has shown the most HEART is recognized. Bus #2 was our October Bus of the Month!

## Laurelton-Pardee (LP) has HEART!

## Laurelton-Pardee's PBIS Student Council is underway!

Student Council at Laurelton-Pardee is a group of LP students and teachers who work to make our school a better place. Students had the opportunity to sign-up for six possible committees: Community, School, Courtyard Garden, Newsletter, Recycling, and PBIS. Twelve LP students chose the PBIS Student Council expressing their desire to help spread the message of HEART throughout the school! Our first task was to decorate our giant PBIS bulletin board. Students filled the board with notes of positivity encouraging their classmates to show HEART. These students meet once a week with Mr. Savine to brainstorm ideas and incentives to help spread and strengthen PBIS at Laurelton-Pardee!

## East Irondequoit Middle School (EIMS) has HEART!

During the last five weeks of the marking period, the Middle School homerooms competed in an attendance competition. The data committee, lead by Ingel Schmidt and Melissa Paquin, created a giant graph on one of the main lobby walls for students to see their progress. At the end of the five weeks, the home room with the best attendance was rewarded. Ms. Weg's homeroom won for having the best attendance record!
