

Donation Drive for Dominican Republic

The International Club from EHS is going to the Dominican Republic to help villages rebuild from natural disasters and to teach the children English! However, in order to make this trip possible for EVERYONE who wants to go, we need YOUR help! We are asking for donations like clothing, household goods, shoes, and basically ANYTHING you want to get rid of! We will then use these donations to give to our local Savers to receive money for the trip. Thank you for your help. ANYTHING HELPS!

Questions? Email: elena_petsos@eastiron.monroe.edu

Time: Now until November 3rd
