**Monroe County Executive Adam Bello Announces Credit Card Fee  
Waiver for 2020 School District Tax Payment**

Monroe County Executive Adam Bello is pleased to announce that credit card convenience fees will be waived for online payment of 2020 school district taxes. This will reduce the demand on municipal employees during the COVID-19 pandemic, lessen public interaction at municipal buildings and make online credit card payment of school district taxes more convenient and affordable for residents. Fees will be waived from September 1, 2020 to November 18, 2020 for online credit card payments only.

“The health and wellbeing of our community should always remain at the forefront, but especially now as we continue to deal with the unprecedented COVID-19 pandemic. I am grateful to my municipal government partners for working together to help facilitate the online payment option and hope residents will take advantage of this opportunity,” said Bello.

Residents who wish to continue to pay their school district tax bill in person should visit their town or village tax collector’s website for more information and to review any restrictions or modifications that might be in place.
