Getting Ready for Kindergarten!!!

For: All students registered for Kindergarten in September 2019

**Dates: July 29-August 2 at Ivan Green Primary School
August 5-August 9 at Helendale Road Primary School
(may only attend one week)**

Time: 9:00 - 11:30 am

Our Kinder Camp offers our newest students an opportunity to get a first look at going to school, being independent, and socializing with peers and teachers. Your child will be able to bridge their home and school environments with fun activities and loving support from educators. Our goal is to provide an atmosphere where your little one feels comfortable to explore school, communicate with others, and try some new things!

*** If we receive more than 20 Applications per session, a lottery will be used to determine participants.**
