

SPIRIT, PRIDE, EXCELLENCE

OCTOBER 2020

- Congratulations to the following students who were selected as students of the month at Eastridge: C'Asia Welch, Olivia Bernier, Tyler Haidvogel, Tamryn Hendrix, Nate Haugh, Selamawit Molla, Alexa Ange, Tayvon Smythe, Marc Gray, and Martina Inga
- There might not have been a marching band season but nine Lancers took part in a virtual performance by students in bands from around the state. Here is a link to the video: <https://youtu.be/1J2IXF3QhO4>
- Students also had an opportunity for solo performances to be recognized and Alby Rodriguez and Eian Moran participated. A video of the solofest can be seen here: <https://www.youtube.com/watch?v=mOSatmvY5FY&feature=youtu.be>
- Red Ribbon Week was observed by our elementary schools from October 26-30 with days like Rally in Red for Healthy Choices and Hats off to Healthy Choices.
- Students at Ivan Green also had a chance to see some real heroes up close. Members of the Ridge Culver Fire Department stopped over to show them some of the equipment that they wear and even gave them a tour of their truck.
- AVID students at the Middle School turned their college dreams into works of art. They decorated pumpkins with the designs of schools they would like to attend.
