- **Ivan Green teacher Lindsey VanVliet along with Gretchen Vandemortel and Lori Quatela helped make the holidays a little brighter for two kids who lost their father to COVID. They began asking for donations on Facebook and were able to provide an IG student and her younger brother with a variety of gifts, including a bike and a doll-house. They also collected items and a gift card for the family's mother.**
- **Thanks to Jeff Hoffman and Ellicee Amendolare for sharing virtual holiday performances from the Eastridge Music Department. A special thanks to Doug Streit for his assistance in putting together the videos that included students performing at school and at home. In case you missed them, here are the links:**
